## W/FINE TUNED TECHNOLOGY

OUTDOOR & INDOOR MULTIPURPOSE RUBBER FLOORING

### APPLICATIONS

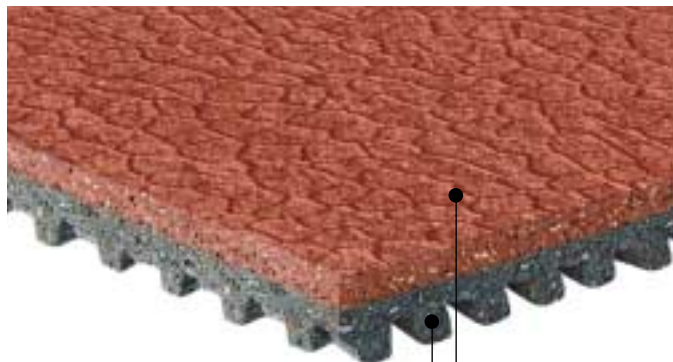

FIELDHOUSES  
OUTDOOR AND INDOOR  
MULTIPURPOSE AREAS

### DURABILITY AND LOW LIFE-CYCLE COSTS

**Ease of maintenance**  
Stain resistant, does not  
require any coatings  
or specialized maintenance

**Static/rolling load compliant**  
Engineered to withstand  
static and rolling loads such as  
bleachers, tables and chairs

**Unparalleled lifespan**  
20+ year life expectancy  
100% recyclable  
Lowest total cost of ownership  
of all resilient flooring

### SPORTFLEX

**Classic sport surface**  
Multipurpose surface for  
recreational and varsity athletics

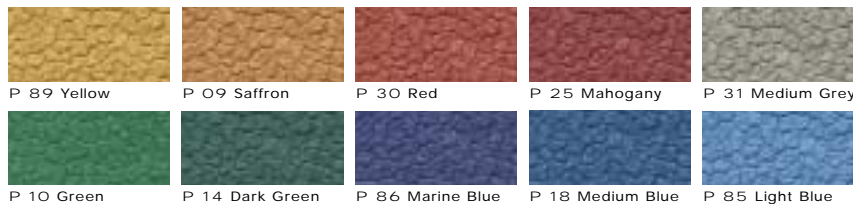

### COMFORT LAYER

- Deforming geometries with FT technology provide enhanced vertical deflection and improved lateral support, increasing both shock absorption and energy return
- Use of proprietary equipment and vulcanization process ensure that **biomechanical and physical properties will remain consistent over the product's useful life**

### PERFORMANCE LAYER

- Engineered with an adjusted coefficient of friction to accommodate sports requiring a high level of pivot movements
- **New texture**, a redesigned tessellation pattern improves ball bounce for tennis applications
- **New formulation** enhances the products ability to withstand heavy traffic and abuse in multipurpose settings
